Proposed Information Collection Request Submitted for Public Comment and Recommendations; Forms for Agricultural Recruitment System

**ACTION: Notice.** 

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conduct a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the **Employment and Training** Administration is soliciting comments concerning the proposed extension of the information collection of the Agricultural and Food Processing Clearance Order, Form ETA-790, Agricultural and Food Processing

Clearance Memorandum, Form ETA-795, Migrant Worker Itinerary, Form ETA-785, and Job Service Manifest Record, Form ETA-785A.

A copy of the proposed information collection request can be obtained by contacting the employee listed below in the contact section of this notice.

**DATES:** Written comments must be submitted on or before October 27, 1997. Written comments should evaluate whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; enhance the quality, utility, and clarity of the information to be collected; and minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### SUPPLEMENTARY INFORMATION:

#### I. Background

The Migrant and Seasonal Farmworker regulations at 20 CFR 653.500 established procedures for agricultural clearance to all local offices to use the interstate clearance forms as prescribed by ETA. Local and State Employment offices use the Agricultural and Food Processing Clearance Order to extend job orders beyond their jurisdictions. Applicant holding local offices use the Agricultural Clearance Memorandum to give notice of action on a clearance order, request additional information, report results, and to accept or reject the extended job order. State agencies use the Migrant Worker Itinerary to transmit employment and supportive service information to labordemand areas, and to assist migrant workers in obtaining employment. The Job Service Manifest Record shows names, addresses, and characteristics of all people name on the Migrant Worker Itinerary.
